

Advanced Placement Program Information

The Denton ISD Advanced Placement program gives you the opportunity to challenge yourself academically, set yourself apart in the college admission process, and earn college credit and placement with a successful exam score.

Why AP? Working Towards College Success

- Stand out in college admissions process with AP course on transcript
- College-level curriculum
- Earn college credits with a qualifying score on AP test
- Build college, career and military skills with rigorous learning and support in a high school classroom

2019-2020 College Board Changes

- MOST students will need to have a deposit of \$40 at the end of October 2019 (including free/reduced lunch students)
- Exams will be ordered in the FALL (end of October 2019) for all year courses
- Exams will be ordered in the Spring (early March 2020) for Spring only courses

Please contact the school counselor for additional information and visit

TRANSFER POLICY:

A student may transfer from an AP or Honors class at the end of 4 weeks in the first grading period of school or at the semester. Transfers beyond the first grading period window may be granted with administrative approval. To transfer out of an AP or Honors course, the AP or Honors course withdrawal form must be filled out. A conference with the parent/guardian, teacher, and the student will be required to determine the future placement of the student.
