TEACHER APPRECIATION WEEK

MAY 6-10

The decision to teach often comes with low-to-moderate pay, and around-the-clock hours. Support from families can ease the difficult work teachers do. **PTA Teacher Appreciation Week** is the perfect time to personally thank your students' teachers for their sacrifices and support for children throughout the year. While appreciation alone will not reduce the challenges teachers face, it will let them know their efforts are not going unnoticed.

Here's how you can honor teachers:

- **Write letters and cards** of appreciation to your students' teachers throughout the week and ask you students' teachers how you can support them throughout the year
- **Show your support** for the tremendous work teachers do by volunteering.
- Nominate your students' teachers for [local and national awards](#)
- Give the gift of [PTA membership](#) to a teacher in your life
- **Follow the new** [PTA Pinterest boards](#) for more teacher appreciation ideas

Meet the upcoming **2013-2014** DHS PTSA officers:

President: Grace Chalon
 1st Vice President: Cheryl Hassell
 2nd Vice President: Carol Perry
 Treasurer: Linda Thompson
 Secretary: Michelle Jones

Bronco Volunteers!

Don't forget to report your volunteer hours. There were many events and activities that took place before the holiday break that could not have been a success without teamwork. Don't let these valuable hours go unreported. Submit your hours by going to the **DHS PTSA link** and clicking on **DHS Volunteer Database 2012-2013**. Include all time that benefited DHS such as hours spent shopping, sewing, baking, painting, building and traveling. Travel time to and from any volunteer event should also be reported. So sit back, relax and read through this informative newsletter. Then go to the [DHS Volunteer Database 2012-2013](#) link to submit your volunteer hours. The hours reported benefit our school district. Thank you for making a difference!

DHS COUNSELING NEWS

NAVIANCE Planning—the next big thing for DHS Freshmen!

The DHS Counseling Team will be working with all 9th graders through their English classes April 18-29. There will be a classroom presentation regarding four year high school planning during their English 1 class period. This will occur at least one day before the students are taken into labs to enter their plan into the NAVIANCE computer system.

After classroom presentations to be held on April 18-23, students will be encouraged to take their handouts home with them, work on them with you and bring them back to their English class the very next time the class meets on April 24-25. If you or your students have any questions regarding this planning process, the contact information for the following personnel is provided at the bottom of this article. Please feel free to call or email:

- Mrs. Keith/Career Counselor, regarding the elective career opportunities.
- Mr. Lydia/9th Grade Counselor, regarding academic core selection (Pre-AP, AP, etc.).
- Beth Hughes/IB Diploma Program Coordinator regarding the IB Diploma and/or Certificate Programs.

Parents and guardians—we realize that high school four year planning can be overwhelming as your student tries to consider ALL of his/her academic and elective options. Currently, the 4 x 4 is in place requiring students to graduate with 4 of each core subject (Math, Science, English, Social Studies). Therefore, for this section, students only need to select the level of the core classes they wish to take (Pre-AP, AP, etc.).

Since half of their plan (the core) is already mandated for them, most of their analysis should be spent on the elective section of their plan. We want you to know that Denton ISD provides students with one of the largest elective course selections in the state of Texas, especially regarding career opportunities at their home campus and the Advanced Technology Complex.

The goal of this activity is for students to create a plan that they may actually use as a guideline for their course selections from year to year, a plan that will allow them to sample meaningful electives which assist them in narrowing down their college and career goals prior to selecting a post-secondary institution, college major, or career.

Please know that their plan is: • NOT set in stone • NOT their course request • ONLY a guideline that can be altered in the future

So, while we do want these to be as accurate as possible, we do not intend for anyone to stress out over it. Again, call the contacts mentioned above as necessary. Their information is below. We are very excited about being able to offer this computerized opportunity to our students! We look forward to working with you on this process!

Chris Lydia, 9th grade Counselor, 940-369-2012

Kimberly Keith, M. Ed, 9th grade Counselor, 940-369-2020

Beth Hughes, IB DP Coordinator, 940-369-2238

JV Bronco Soccer Bodes Bright Future!

The boys JV soccer team culminated a dominant district campaign with a 6-0 win over Lake Dallas. The young men represented Denton High School with pride and class as they followed up a tough 1-4-2 pre district record with an extraordinary 8-1-0 district performance. The strong showing earned the Bronco Team top honors among all other district JV teams. Along the way, the Bronco boys outscored their district opponents by a remarkable 31-5 margin. Leading the offensive charge for the Broncos was Sam ReCalderon, with 11 goals, and Juan Borda, with 9 assists. Rigels Diko, Tyler Beisel, and Braeden Petri also contributed to a strong midfield for the Broncos. The stingy defense was anchored by Daniel Olvera, Chris Penny, Alex Karrlson and Jordan King- and between the pipes, goalkeeper, Gio Gomez, led the team with 5 clean sheets. Freshman, Wesley Maffey-Kohler also made a statement with several strong performances throughout the season. Each and every team member made important contributions to the success the JV team this season. The entire team benefitted from the committed and serious culture of competition within in the team – a culture

that pushed each team member to be his best. Coaches, players, and fans alike, are excited about these future prospects and expect to see many of these young men competing for starting spots on next year's Varsity squad. The future is bright for Bronco Soccer!

Bronco Soccer Returns to Play-Offs!

After a six year hiatus, the DHS Boys Bronco Soccer Team returned to the play-offs for the 2013 season. By right of a 6-4-0 district record, the Broncos secured a fourth place finish after losing out on a tie break to Guyer HS for third place. Notable wins for the Bronco en route to the play-offs included a 4-1 victory over The Colony HS, 2-1 wins over Guyer HS and Byron Nelson HS, and a 1-0 triumph over Birdville HS. Along the way, the Broncos protected home field advantage and remained undefeated at Bronco Field throughout the season.

The remarkable season signified the conclusion of the high school career for seniors Josh Hardin (Captain), Tyler Proffitt (Captain), John Penny, Juan Vargas, and Connor Opheij. Much of this year's success is credited to the leadership of these young men. In addition to the seniors, several juniors and sophomores contributed to this year's success, including standout midfielders Christian Carranza, Chris Torres, Zach Ardis, and Zach Alspach. Defensive standouts included Chandler Page and Zach Farmer, while the offensive effort was bolstered by newcomer, Feliciano Amaya. Although the season aspirations were cut short by a 2-1 overtime defeat to Aledo, the Broncos have many reasons for optimism. With eight returning starters and 6 other varsity returners, next year's team has even greater accomplishments in sight. Furthermore, many of the JV players demonstrated a great deal of ability this season and will no doubt be competing for a coveted starting spot on the 2014 Varsity Team. Congratulations, men – you made us proud! The best is yet to come.

The 2014 Bronco Yearbook

Dear Junior Parents,

It's time to purchase an advertisement celebrating your senior's life and graduation for the 2014 Bronco Yearbook. A senior ad treasures the memories of your child even after his or her senior year. Make sure your senior has a place in Bronco history by purchasing your ad now.

Traditionally, parents of seniors who purchase yearbook advertising space showcase their student's achievement throughout high school. What makes it unique is that it also allows our seniors to take notice of their fellow students' achievements and memories.

When your child looks back on his/her high school career wouldn't it be nice to see their own personal space? What more perfect holiday, birthday or graduation present could there be for your senior?

To reserve space now, complete the attached form and return it to Mr. Greg Bogomol at Denton High School. Payment, pictures, and messages for ads **must be received in full by December 5th**. We will also willing to set up a payment plan with you if necessary to ensure your child doesn't get left out.

We are also offering a special for the 2014 yearbook. **Those who decide to purchase an ad by May 31st will get 20% off their ad.** A down payment of 25% must be turned in by the end of May.

Pictures will be returned in May of 2015 when the book is distributed. We will accept digital pictures on a CD with a resolution no less than 300 dpi. After submitting your ad info and pictures, we will design your ad and then contact you for final approval on the design. We do our best to be correct, but this is a student publication and you must proof your ad to be sure it is the way you want it. **Please include a self-addressed, stamped envelope for the return of your ad materials.**

If you have any questions, please contact the adviser at gbogomol@dentonisd.org. You may also contact him in the yearbook office at 940-369-2150 Monday through Friday.

Sincerely,

Greg Bogomol
Journalism Adviser
