

MIDDLE SCHOOL

F2F HYBRID MODEL STUDENT CALENDAR SEPTEMBER 2020*

Cohort 1: MW1 Last names A – L at school

Cohort 2: TR2 Last names M – Z at school

*This transition to full scale face-to-face instruction with large groups of students on campus would last a minimum of three weeks starting September 8, 2020. Our staff and campus leaders believe this model is currently the best option to address safety protocols and health guidance during this pandemic.

NOTE: Connected Learners (CL) will continue to learn from home and are expected to complete a grading period of 9-weeks in the program.
