Historical Context: Background for Reading Arthur Miller's, *The Crucible*

**Salem Witch Trials**

Who was involved?

What are they?

When did they happen?

Where did they happen?

Why did they happen?

How could something like this have been allowed to happen?

Make your own observation about the information you were provided in class that has not been asked about above.

---

**Captivity Narratives**

Who was involved?

What are they?

When did they happen?

Where did they happen?

Why did they happen?

How could something like this have been allowed to happen?

Make your own observation about the information you were provided in class that has not been asked about above.
