

INCIDENT REPORT IN A CLASSROOM WITH VIDEO AND AUDIO RECORDING EQUIPMENT

**Denton ISD Regulation
Date: 1/2/2017
Related Policy Code: EHBAF**

A person may notify the District of alleged abuse or neglect occurring in a self-contained classroom or other special education setting where video/audio surveillance is in effect by completing an Incident Report form and providing it to the campus principal. The person making the Incident Report should be as specific as possible regarding the date, time, and location of the suspected abuse or neglect, should include any witnesses, and should describe the suspected abuse or neglect as clearly as possible. The Incident Report should be provided to the campus principal as soon as possible but no later than 48 hours after a person submitting the incident report becomes aware of suspected abuse or neglect.

If the recording documents an incident as defined by law, the District will release, on request, the recording for viewing by an employee or a parent or guardian of a student who is involved in the incident. Depending on the nature of the recorded incident, the District may also be required by law to release the recording for viewing to individuals described in EHBAF(LOCAL), including appropriate personnel or agents of the Department of Family and Protective Services and/or State Board for Educator Certification. For more information, see EHBAF(LEGAL) and (LOCAL).
