Connecting to DISD WI-FI as a GUEST

iOS Devices

1.From your Home screen, go to Settings > Wi-Fi.

2.Turn on Wi-Fi. Your device will automatically search for available Wi-Fi networks.

3.Tap the name of the Wi-Fi network that you want to join. "DISD – PUB"

With iOS 13 and iPadOS, you might see these network options:

- My Networks: Wi-Fi networks that you've connected with before.
- Public Networks: Available Wi-Fi networks that you've

never connected with before.

4. After you join DISD - PUB, you'll see \checkmark next to the network and $\widehat{\frown}$ in the upper-left corner of your display or the upper-right corner on an iPhone X and later.

5.Read & Accept our Acceptable Use Policy.

You will now have access to the

Public Internet.
