Denton ISD is now using *Home Access Center* to view student grades and update student enrollment information online. Home Access Center can be found on the Denton ISD website under the "FOR PARENTS" Tab, then click on Grade Information.

NOTE: ** **If you are already using Home Access Center your account will remain active. Please disregard this letter**. ***

If you have a temporary password from your child's enrolled campus:
1. Go to the Denton ISD Website. Choose the Parents tab.
2. Username is the email address on file with the student's enrolled campus or the email address that this letter was sent to.
3. Temporary password will be given to you by the student's enrolled campus. You will be required to change your password and set up 2 free text challenge questions, with your free text answers.

You should be able to view all students who share a common **guardian** and physical address. If you have trouble viewing your student's information contact your child's campus.

If you do not have a temporary password from your child's enrolled campus:
Parents must have a Primary email address on file with the student's enrolled campus to use Home Access Center. If you do not have an email address you may obtain one for free from sites such as yahoo, g-mail, hotmail. Please return this form along with a copy of your ID to the Registrar's Office or you can fax the form and your ID to (940)498-0050.

Please add one Primary email address per household.

Student's Name _____Students ID#_____
