Meeting PTA's Six National Standards

Using the PTA's National Standards for Family-School Partnerships Wilson staff welcomes all families in a variety of ways.

PTA membership is the first standard. We have over 150 PTA Family memberships this year and this represents a cross section of our families.

Our PTA provides many wonderful opportunities at our campus. They help to supplement field trips costs, Reading Counts incentives, monies to the classroom, and our most popular event, Mustang Breakout Day. This year PTA is looking at ways to put technology into the kids' hands. Our PTA coordinates the only parent run Science Fair in the district and organizes the largest fundraising event of the year, our Fall Carnival.

We ask all guests and parents who are volunteering to sign in on a computer available in the office. Our volunteers have donated over 10,000 hours of service. We have many activities to help classroom teachers that can be done in your own home, at your convenience. Our counselor needs volunteers during Career Week and Red Ribbon Week.

The second PTA National Standard for Family School Partnerships is Communication. Some of the ways Wilson will communicate with our parents is through:

- Our webpage
- Automated phone system
- Marquis
- PTA Newsletter
- Mustang Muse
- Meet the Teacher Night
- Parent Teacher Conferences
- Weekly Folders or notes
- Home Access Center
