

# Silverado Personal Internet Profiles Position Statement

Your membership with the Silverados is a privilege, not a right. As a Silverado, there is a high expectation for you to conduct yourself in a 'lady-like' manner at all times by the director and the GHS administration. This includes any form of internet post, profile, blog or website connected to you or about you. Your internet pages/spaces provide much information about you in a public venue. From the information you provide, the pictures you link, and the bulletins posted, a profile is established about your character and online reputation. It is important that you take as much care with this 'online' reputation as you do with your 'real life' reputation. You are responsible for your profile. This profile is an extension of you, and directly affects, and reflects upon, the Silverado organization.

## The following will be required for your internet profiles:

- Have a password protected profile and only allow people you know to have access. Consider allowing your parents access to your site.
- No inappropriate pictures (such as those taken in under garments, revealing swimwear, plunging necklines, smoking, alcohol, drug paraphernalia, or anything sexual in content.)
- Do not post or keep any posts of foul language or sexually explicit comments.
- Do not choose to support advertisements on your profile that promote alcohol, smoking or sexually explicit materials.
- Request friends who post inappropriate photographs to delete them, and always "un-tag" your name from pictures that cannot be deleted.
- Do not bully other students on profiles or chat forums, or participate in any such conversations.
- Do not post negative comments related in any way to GHS or the Silverados.
- Do not take or exchange nude or partially dressed photographs of yourself or others via cell phone or internet.
- All accounts must follow/friend the Silverado accounts. If the directors find out about private accounts, you will be removed from performing for 3 weeks.

**Protocol for your Profile:** If you have inappropriate material on your profile, you will be asked to remove it immediately, and demerits will be issued. If the problem continues parents will be contacted. Severe cases could result in removal from the team.

**Illegal or Inappropriate Content:** If you have any illegal content or information displayed on your profile, or any is found on any other profile or internet site, you will be held to either the GHS Code of Student Conduct or the Extracurricular Code of Conduct rules and regulations.
