RESULTS AI Generated Themes

Social emotional learning and helping kids recover from the mental health concerns after COVID.

4.2 ★★★★★ (40 ⭐)

Expand after school programs and clubs.

Social isolation and limited contact impacted students social, emotional health in 2020-2021. Special programming can bridge gaps through play.

4.1 ★★★★★ (38 ⭐)

in person social activities

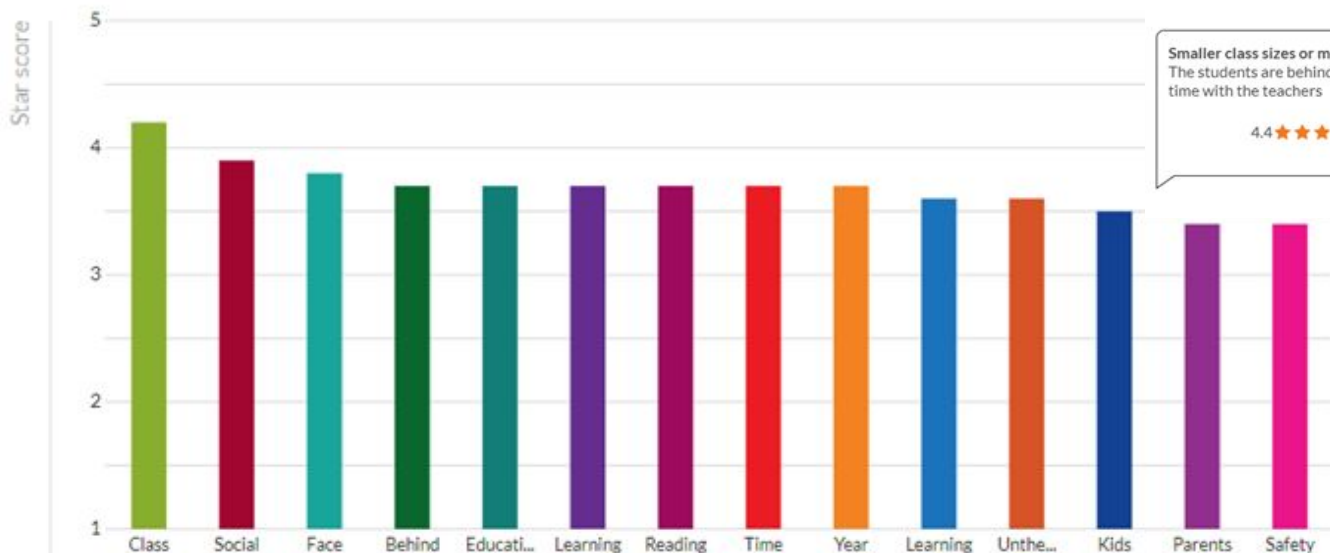

social activities- teaches children to engage in conversations, build team work skills and social skills , less social anxiety,

4.0 ★★★★★ (41 ⭐)

Participant group: I am NOT a current Denton ISD student. ▾

RESULTS *AI Generated Themes*

More teachers

Create smaller class sizes for a smaller student teacher ratio.

4.5 ★★★★★ (43 ♂)

Reduced class sizes allow for more individualized attention and flexibility for differentiated instructional approaches.

When class sizes are maxed out the amount of conferring and attention per child is reduced. This can lead to students falling to thrive unnecessarily

4.4 ★★★★★ (45 ♂)

Smaller class sizes or more opportunities to have small group settings

The students are behind in their lessons and benefit from more one on one time with the teachers

4.4 ★★★★★ (45 ♂)

Multiple Potential Uses of Funds to Drive Learning Acceleration

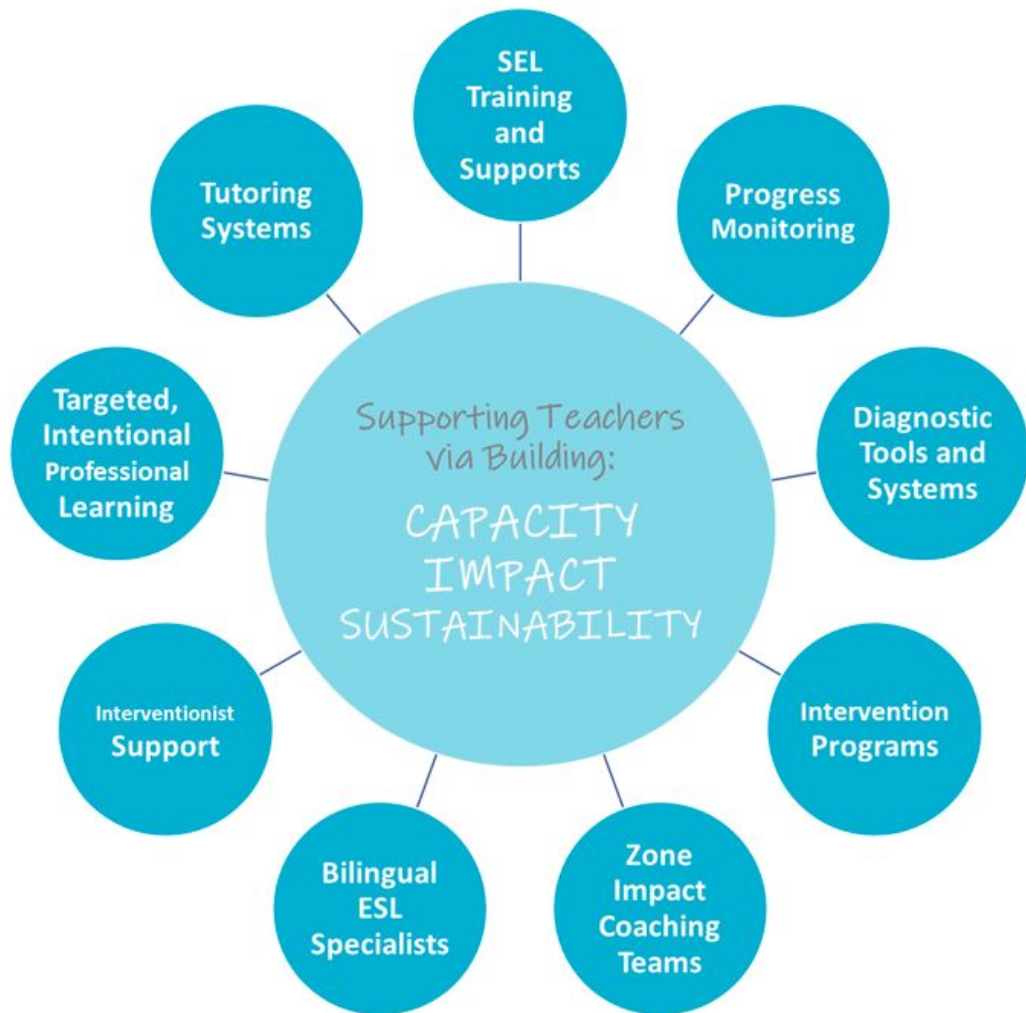

per Texas Education Agency

Learning Acceleration Framework	Potential Uses of Funds
Supported Teachers	<ul style="list-style-type: none">● Professional Development: comprehensive Reading Academies, dyslexia training, professional development stipends, technology integration training● Staffing: tutors, reduced class sizes, small group instruction, staff retention and recruitment incentive pay, instructional coaching and leadership● Mental Health and Behavioral Supports: teacher training and programming

Other Supports	<ul style="list-style-type: none">● Facilities: ventilation, cleaning, HVAC systems,● Technology: devices, infrastructure upgrades, digital tools,

Supported Teachers

Zone Impact Coaching Teams (\$785,000)

- Each zone will have “Impact Coaches” to work with elementary, middle school, and 9th gr Algebra I. A district-wide sustainable coaching model will be used with a united vision and mission to:
 - Support w/leadership positions (1 elementary and 1 secondary specialist) responsible for leading and developing the Zone Impact Coaching Teams;
 - Include four new impact coaches for secondary campuses (one per zone) plus 4-6 secondary math interventionists;
 - Include one district-level Bilingual/ESL specialist to support the campus leadership with capacity building and intervention for emergent bilinguals and ESL students;
 - Support and deliver professional development through a district coaching plan with aligned instructional coaching playbook;
 - Coordinate efforts with specialized programs (special education, 504, dyslexia) for extensions of intervention and coaching;
 - Supervise progress monitoring efforts;
 - Guide and assist the analysis of all diagnostics used for Beginning of Year, Middle of Year, and End of Year student growth using a Denton ISD list of assessments; and,
 - Coordinate mental health training/supports for teacher well-being.

Rigorous Instructional Materials

Curriculum Writing Acceleration (\$90,000)

- Adapting our current curriculum documents for:
 - Including social and emotional learning options within formative assessments of academics (formative assessments, lesson planning, conferring, and student SEL Goal-setting);
 - Developing elements within units that scaffold learning as needed based on student loss data sets;
 - Developing units for scaffolding in elementary Spanish and Translanguaging in multiple content areas;
 - MS and HS Reading Intervention Course Development; and,
 - MS and HS Math Intervention Course Development.

More Time

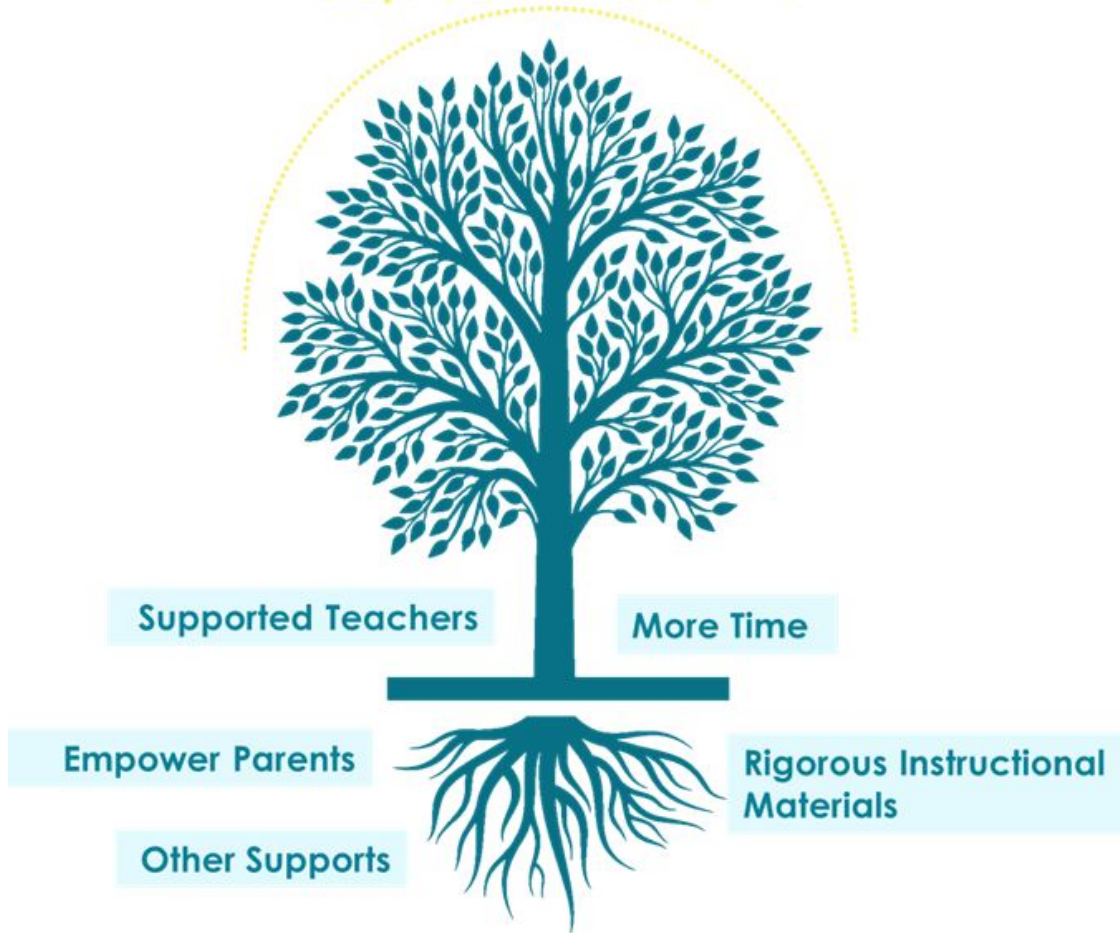

Summer Programming (\$620,500)

- Elementary Jump Start
- Middle School Jump Start
- ESL Jump Start
- Algebra I Jump Start
- Boost Program

Intensive Tutoring (\$300,000)

- Tutorial opportunities during the school day.
- A-Team Tutors: hire retired teachers, counselors, highly trained university students, etc.
- High Impact Tutoring and other evidence-based strategies will be used.
- Emphasis on math and literacy.

30,700+ Students
