RE: Important Update to 457(b) Retirement Plan

To: 457(b) Retirement Plan Participants

Dear 457(b) Retirement Plan Participant,

Effective July 1, 2025, we are changing our 457 retirement plan service provider from National Benefit Services (NBS) to the Rise 457(b) Retirement Program as part of our efforts to enhance your retirement benefits. Employees will be able to change their contributions directly through THEbenefitsHUB portal. Please take note of the following:

Employees Contributing to Teacher's Pension Exchange (TPX)

- Employee payroll contributions to Teacher's Pension Exchange (TPX) will continue without interruption.

Employees Contributing to Equitable or Corebridge

- Equitable and Corebridge will no longer be available. Employee payroll contributions will continue, but will be redirected to a target date fund within the Rise program. Participants may change this investment selection through the following link: <https://risesavings.ipx-sys.com/Login.aspx?ReturnUrl=%2F>
- Participants will receive further details regarding the transfer of account assets at a later date.

Managing Contributions and Investments

- Participants may change their contribution amounts directly through the THEbenefitsHUB portal.
- Participants may change their investment selection and perform other account transactions through the following link: <https://risesavings.ipx-sys.com/Login.aspx?ReturnUrl=%2F>

If you have any questions regarding this transition, you may contact The Rise Program Administrator at 877-395-0456.

Sincerely,

A handwritten signature in black ink that reads 'Jeremy Thompson'.
