

Say “Hello” to MyChart

With the new patient portal, MyChart, you can now:

- Access health records, including medications, test results, upcoming appointments, and more
- Connect with your onsite care team
- Schedule appointments at the onsite clinic
- Complete pre-visit tasks for your upcoming appointment
- Share your medical record with any other providers

Accessing MyChart

Once you receive your activation code*

- 1** Download the MyChart App
- 2** Click “Add Organization” and search for Concentra
- 3** Click “Sign Up” and enter your activation code, as well as additional requested information
- 4** Create a MyChart username and password

*If you have not received an activation code, please ask the front desk.
