

We are trying to open the gifts and talents of Denton ISD's children.

What is the purpose of this year's Advisory Committee?

The three goals of our Task Force for this year are...

1. Discuss GT in Denton and these are some resources we can use.

2. Examine the current trends and practices in gifted programs in Denton ISD.

We are going to hear from EXPO teachers in Elementary who are going to inform us of what their program is all about...

...and from EXPO teachers in Middle School who are going to inform us of what their program is all about.

3. We are going to serve as an advisory committee to make recommendations to the district and to the EXPO program

For homework before our next meeting on Feb. 16th, please read the EXPO handbook.

As you are reading the EXPO Handbook, please note anything that confuses you, things you'd like to know more about, or things that you'd like to discuss with the group. We will discuss this at our next meeting.

Explain profile sections starting with K on the ppt and then going into 1 - 5 handout, and explaining that the secondary profile only has a little bit of difference to the 1 - 5: at the top instead of parent and teacher rating scales there is a teacher rating scale and then a student rating scale.
