Braswell High School Late Arrival / Early Dismissal Privilege Authorization Form

Parents may give permission for their child to have late arrival to school for their first academic period, or to leave school early after finishing their last academic period of the day. Students granted this privilege agree that they will not be on campus prior to when their first academic class begins or after their last academic class ends. Violation of this agreement will result in assignment to a scheduled and supervised academic study class.

The privilege stated above is extended to juniors in good standing (1 dismissal per semester) and seniors in good standing (1 dismissal per semester with a possible second dismissal per semester for students who take a Pre-AP or AP class), with written approval from a parent/guardian. This privilege is subject to removal on an individual basis dependent on each student's adherence to the conditions stated above. Should a student's privilege be revoked, the student and parent will be informed of this at an informal meeting with BHS administration. The student's schedule will be changed at that time.

I understand that my child:	
	Name of Student
may arrive late and/or leave school early based on the guidelines stated above. Any violation of the conditions stated above may result in the loss of this privilege. Knowing this, I give permission for my child to be extended this junior / senior privilege.	
Date Si	gnature of Parent/Guardian
I have read this statement and agree to the responsibilities stated in this form.	
Date Si	gnature of Student
This signed authorization form must be turned into the counseling office.	
Please check all that apply:
