Extended School Day (for care from 2:50-6:00 p.m.)

940-369-0080

Class Times:

Full Day Classes for 3 and 4 year olds and ECSE programs

7:30 a.m.-2:50 p.m.

**(Breakfast and lunch will be available for each
child during class times)**

Morning drop off

**7:10-7:15- Walk up early drop off
(At activity center side doors)**

**** (No walk up drop offs after 7:15) ****

**7:15-7:30- Drive up car line drop off
(2 car lines at activity center back doors)**

Afternoon pick up

2:50-3:05 p.m.

**(All student pick-ups will be through 2 car lines at
the activity center back doors)**

As a Gonzalez Parent, I can expect:

1. To be welcomed to the campus and in the classrooms in a positive manner. (With approved background check).
2. To be involved in the school and support the classroom and school activities whenever possible.
3. To have an opportunity to join the Gonzalez PTA.
4. To be informed regularly about my child's progress.
5. To always be treated with respect and dignity.
6. To expect guidance for my child from teachers and staff, as this will help my child's total development.
7. To be informed about all school and community resources concerned with health, education, and improvement of family life.

Student Expectations

1. All immunizations must be updated prior to school entrance.
2. The first day your child attends school please bring a complete set of clothing that will remain at school. (Teacher discretion)
3. Should it be necessary for the school to provide clothing – we request you return it CLEAN as soon as possible.
4. Our school may not administer any medication without written authorization from your physician and medication request form signed by the parent or guardian. (See page 6 for further information).
5. You must bring your child to the designated areas each morning or afternoon. If you are late, you will have to bring them to the office.
6. **ANY CHANGES** in employment, phone number, or address must be reported to the school office immediately (within 48 hours).
7. It is recommended that all children wear shoes and socks to school.
8. Children are required to wear appropriate clothing to ensure safety and comfort. NO midriffs, flip-flops, short skirts, or short shorts.
9. NO make-up at school.
10. No toys or any other items from home should be brought to school.

Attendance and Absences

Absences/Attendance

Regular school attendance is essential for a student to make the most of his or her education – to benefit from teacher-led and school activities, to build each day’s learning on the previous day’s and to grow as an individual. Absences from class may result in serious disruption of a student’s mastery of the instructional materials; therefore, the student and parent should make every effort to avoid unnecessary absences. The state law dealing with compulsory attendance, should be of special interest to parents.

Compulsory Attendance Policy FEA(LEGAL)

State law requires that a student between the ages of six and 18 attend school, as well as any applicable accelerated instruction program, extended year program, or tutorial session, unless the student is otherwise excused from attendance or legally exempt.

Students in prekindergarten or kindergarten ages 3-5 upon enrolling in a public school, are required to attend school and follow all compulsory attendance rules.

Failure to Comply with Compulsory Attendance

School employees must investigate and report violations of the state compulsory attendance law. A student who is absent without permission from school; from any class; from required special programs, such as additional special instruction (termed “accelerated instruction” by the state) assigned by a grade placement committee; or from required tutorials will be considered in violation of the compulsory attendance law and subject to disciplinary action.

A court of law may also impose penalties against both the student and his or her parents if a school-aged student is deliberately not attending school. A complaint against the parent may be initiated if the student:

- Is absent on three or more days or parts of days within a four-week period.
- Our attendance program generates absence warning letters for those students who do not meet the above requirements.
- The district will initiate truancy prevention measures after the third unexcused absence. Following the third unexcused absence other measures will be put in place such as attendance contracts, parents attending a truancy class, etc.

For a student younger than 12 years of age, the student’s parent could be charged with a criminal offense based on the student’s failure to attend school. If a student is between the ages of 12 and 17 violates the compulsory attendance law, both the parent and the student could be charged with a criminal offense.

Attendance Documentation

The parent/guardian needs to ensure a note, handwritten or by the **District Absence Note system**, explaining the reason for the absence is received in the school's office within 72 hours (3 days) of the student's return to school. Failure to provide a note will result in the absence being recorded as unverified. **Communication between the parent and the school are an essential component in the better understanding of attendance related matters.**

| Unverified/Unexcused Absence/POD Irregular Attendance | Consequences |
|---|--|
| 1-3 unexcused/unverified/POD | Warning letter sent home at 3 absence marks |
| 3-6 unexcused/unverified/POD | Attendance Contact sent at 6 absence marks |
| 6/7 unexcused/unverified/POD | Truancy class assignment made for parents |
| 8/9 unexcused/unverified/POD | Campus consequence email sent to parents |
| Anytime between 7-10 unexcused/unverified /POD | 2 nd Truancy class assignment if parent did not attend the 1 st truancy class assigned |
| 10 or more unexcused/unverified/POD | A phone call from the DISD Truancy offer and possible filing of truancy charges in court |

Attendance is taken at 9:30. If your child is not in class at these times, they are counted absent.

Basic Classroom Procedures

Each student will have a place in which to put their backpacks and other belongings upon classroom arrival. When everything is put away, students will begin their classroom schedule for that day. Classes will follow a daily schedule and students will be taught, as well as practice the daily routines and what is expected of them when attending school. Procedures will be taught by explaining and modeling what appropriate procedures look like, practicing routines with direction and supervision, and reinforcing procedures until they become routine for students.

Behavioral Referral

A Student whose behavior shows disrespect for others, disregard for authority, mistreatment of others, property offenses, and interference with others' access to a public education and safe environment may be subject to disciplinary action. Attempts will be made prior to a discipline referral being handed out to conference with the student and parent to discuss/model school appropriate behaviors. Teachers will follow the steps in their classroom management plans and can make referrals to the school counselor.

Clothes closet

The Gonzalez Clothes closet is in our Community Room, across from the office. We have clothes, shoes, and jackets available for children from infant sizes up to sizes 8-10. We ask that you take no more than 3 outfits per child per visit so that we can accommodate as many families as possible. To assist with our clothes closet and other family/parent concerns and trainings, you can contact our parent liaison Nancy Dobson at 940-369-4392, or email her at ndobson@dentonisd.org.

Please make sure to sign in with the school office before going into the clothes closet.

Communication

Keeping in contact with parents and guardians is very important to the success of your child at school. It is important to keep your email addresses and phone numbers up to date with the office so that we can make sure that our correspondence is able to reach you. Also, it is very important that you keep the office and school staff up to date with any changes in your family that would alter the original paperwork or pick-up lists provided (such items may include protective orders, divorce decrees, job loss, etc.). Our program will use the following platforms to keep in contact with parents: Weekly emails, campus televisions, classroom and school newsletters, School Messenger (recorded phone calls), See Saw, and classroom teacher folders. For you to be informed of upcoming events and your student progress, please make sure your contact information is updated with the teacher and the front office.

Counseling

At times, students and parents must deal with issues that are difficult to process or require assistance for support and resources. Our school counselor, Ms. Kasi Mack, provides on-site lessons to the classrooms that support our character traits, school rules, bucket filling philosophies, and social emotional concerns. She works with individual students, at times, as well as their families to provide support, strategies, and resources that can help the child to be successful at school and at home. She will be sending home information on parenting tips and strategies via our school email and newsletters. Ms. Mack also oversees the **Food4Kids** program which provides snacks for children over the weekend. This program is based on family need and the snacks will be passed out on Fridays. If you have any question or need information about community resources, please contact our school counselor at 940-369-4360 or email her at kmack@dentonisd.org.

Curriculum

All Gonzalez teachers meet highly qualified status and are certified teachers by the State of Texas. They follow a district adopted curriculum which is aligned with the Texas Pre-Kindergarten guidelines. We use a variety of materials and strategies, that are designed specifically for pre-k aged students and for the developmental and academic needs of each child.

Disabilities

If you have concerns about your child's development, our diagnostician is available to speak with you. Parents have the right to ask for their child to be evaluated. Please, let the front office know that you would like to speak to Ms. James, our diagnostician. You can contact her at 940-369-0486 or email her at pjames@dentonisd.org.

Discipline

We use the Positive Behavioral Support Strategies and philosophies for our classroom management. Through this program, we teach developmentally appropriate behaviors and social emotional skills through songs, rhymes, and consistent practice. Usually, young children can be guided in a firm, loving manner within an environment where:

- Their needs are being met.
- They have a consistent daily schedule posted and reviewed, so they know what will happen next.
- They have materials and equipment that are age appropriate and will stimulate growth and learning.
- Children can plan their day, make choices and initiate their own work/play.
- Teachers can redirect a child to another activity when necessary.
- Problem solving will be encouraged between children with adult assistance.

Our job is to teach children how to become confident, self-assured students who understand the expectations of following basic rules and routines. All children attending Gonzalez are expected to:

**BE SAFE
BE KIND
BE READY**

We use these standards to teach the children how to cope with problems, interact with peers, and understand the expectations in different parts of the school. Each teacher individualizes these expectations within their classroom to meet the needs of their students. Please contact your classroom teacher for specific questions about how they manage their own classroom.

Some children require more opportunities and need to practice these expectations more often than others. It is our responsibility to teach the children, to guide them in understanding and to follow through with expectations in a positive manner. Positive reinforcement is used continuously to encourage appropriate behavior and reinforce those students making the appropriate choices. Specific steps for addressing behavior are used with the students. When children are extremely disruptive to the classroom environment or they pose a potential danger to themselves or others, then additional interventions may be required. Some of these include (but are not be limited to):

Student discussion

Role playing situations with students

Practicing and re-teaching expectations

Loss of a privilege (such as recess, centers, etc.) for a short period of time

Removal from instruction to a quiet area or cool down location within the classroom (not to exceed number of minutes that correspond to the child's age)

Assistance from other staff

Parent communication/call home

Office referral

No corporal punishment is permitted.

Children who exhibit overly aggressive behaviors that cause bodily harm to self or others require immediate intervention, such as:

1. Problem solving solutions between the teacher and child.
2. Parent-Teacher conference.
3. Student-Parent-Administrator conference.
4. Response to Intervention Process. (DMTSS - Denton Multi-Tiered System of Supports)

DMTSS members would then make appropriate referrals and recommendations.

We also utilize several programs to reinforce and teach positive behaviors. We use the Character Counts program, where certain character traits and behaviors will be taught and reinforced throughout the year. We also follow a BUCKET FILLING philosophy, based on the book, "How Full is Your Bucket". It follows the idea that everyone has an imaginary bucket, and when they do nice things for others, then they are filling that person's bucket. However, when they do something that is not appropriate or hurtful to another person, then they are dipping from that person's bucket. The teachers and staff will be recognizing our bucket fillers throughout the year. We also will ask parents to be involved in recognizing their children at home when they show good character or are caught filling someone's "bucket". We will utilize the Character Counts, focusing on teaching and reinforcing specific character traits and will recognize student for exhibiting good character.

Drop Off/ Pick up Procedures

Parents will have two options for dropping their children off. Parents may pull into the parking/drop off area, take an immediate right-hand turn, and park their cars in the UPPER parking lot. They can then walk their child to the side doors of the Activity Center, to drop off from 7:10 -7:15. The child will then enter the Activity Center and will be supervised by staff as they move to their designated location. Parents will then go back to their vehicles and exit the back of the parking area and turn left out towards Long Road. No drop offs will be accepted after 7:15, once the car lines are in motion.

The car drop off line will begin at 7: 15 a.m. Parents will enter the parking area, continue straight based the lower parking area, then turn right towards Gonzalez which will take you to the drop of area. Please follow the cars in front of you and put your vehicle in park. PLEASE STAY IN YOUR CAR! A Gonzalez staff member will help your child out of your vehicle. Please have your child's backpack and personal belongings next to them so that they can be helped out of the car quickly. If your child is upset or refuses to get out of the vehicle, you will be asked to drive around to the front entrance and park, then walk your child to the main entrance of the building.

At dismissal, you will hang your car tag from your rear-view mirror, so it is visible. Cars will enter the parking area off Long Road and take an immediate right-hand turn. You will form 2 lines, one against the curb that is closest to the building, and the other on the opposite curb. **PLEASE stay in your car, to buckle your children.** If you need to get out to assist your child with buckling their seatbelt, you may either pull around to the parking lot or somewhere not in the drive through area. You may also stay in the line along the outside curb, then turn left into the buckling area once you past the second crosswalk. You will be given a sticker to put on your car tag to identify that you will be using this area for buckling. Please stay in your line unless otherwise asked to move forward.

A staff member will be calling the car tag numbers. Other staff members will bring your child to the car and put them in the car. The staff will not buckle your children into their car seats. There will be a staff member directing traffic as well. Please heed their directions as we want to ensure the safety of every child. Please STAY OFF your cell phones, as state law prohibits cellphone usage while vehicles are in motion on all school property. **Please do not get out of your car in the drop off lanes.**

You will receive 2 car tags from your child's teacher. Whoever is picking up your child **must** have a car tag displayed. **If they do not have the tag, they will be required to go to the office and sign the child out with a driver's license and be on the approved pick-up list.** If you lose a tag, please notify the classroom teacher so that we can determine if a new tag number is needed (for security purposes for your child). You may purchase another one in the front office for \$1.00 if you need an additional car tag number. The child will also have a backpack tag that will have their teachers name and car tag number displayed. If that tag gets lost, those may also be purchased in the front office for \$1.00.

If you need to change how your child will be going home, please **contact the office** before 2:15 p.m., as we cannot guarantee that the children will receive the message in a timely manner if you call after this time. You may also communicate with your child's teacher via text message or See Saw to let them know of these changes as well. Please do not email the staff during the day with this information, as they may not have an opportunity to check their email prior to dismissal.

Also, please make sure that anyone that will be picking up your child is on your child's pick-up list. Anyone picking up a student will need to provide their picture ID before we will release the child to that person. Please make sure that you communicate this to any and all people on your child's pick-up list. Also, please make sure that children are picked up on time. If your child is left after school and we are unable to get in touch with a parent, the emergency contacts will be called. If we are unable to reach anyone, after a certain period of time, we are required to contact the Denton Police Department, so please make sure you communicate with the school or make arrangements for your child to be picked up on time.

Early Pick Up

No student will be released to any person that is not listed on the designated pick up list OR who does not have proper identification.

Any time a child needs to be checked out of school during class times, they must be signed out in the office and provide a picture identification. The student will be called from the classroom and delivered to the office by Gonzalez Staff. Parents/visitors that attend a classroom event (when allowed), will sign in with the classroom teacher. If that person is on the designated pick up list, that person will sign the student out with the teacher and indicate the time they departed the building. If your child is checked out 50 minutes or more, before the end of the school day, they will be assessed a POD or Part of Day absence.

Emergency Information

If your child becomes ill or injured while at school, you will be notified and, if necessary, either you or someone on your emergency contact list must come to pick up your child immediately. **It is imperative that your emergency card is kept current.** Should any information change on the card, please notify your child's teacher and the office staff within 48 hours.

Family Partnerships

Gonzalez SYC believes that parents are the greatest influence on their child's development. We encourage parent participation in the form of attendance at parent meetings, fundraiser events, PTA, and as a volunteer in the classroom/school.

We offer parent education classes on campus. Watch for information about these opportunities. Also, we will be providing virtual training options and school functions through the use of social media, such as Facebook live and See Saw.

ALL volunteers **MUST** be screened with a background check before volunteering or accompanying on field trips. Visit the DISD website to sign up and be cleared to be a volunteer.

Health

Gonzalez health services makes certain that your child has all needed immunizations to be able to attend school.

Each child, who is four years of age or older, will receive the following screenings while at school:

- Vision/Hearing

Parent/Guardian will be notified of the results of these screenings and any follow-up care needed.

When Your Child is Ill:

Although we expect your child to attend classes regularly, there are health related reasons to keep a child home from school:

- Fever - 100° or higher-may return after being fever free for 24 hours without medication
- Conjunctivitis (pink eye) – may return after 24 hours of antibiotic treatment with a doctor’s note or if completely symptom free
- Infection – must be treated with antibiotics for 24 hours before returning with a doctor’s note or if completely symptom free
- Lice – must be cleared by nurse before returning to class
- Ringworm – may return after treatment begins and area is covered

Our school ***may not*** administer any medication without a pharmacy label on the medication packaging. It is requested that medications that are to be given 3 times a day should be given before school, after school and before bedtime.

A reminder to parents, the school nurse and the school administrators are the only staff members that can authorize for your child to be picked up and/or sent home.

Holidays/Celebrations

The school will host three celebrations throughout the year: Winter Holiday celebration, Valentine’s Day party, and End of Year/ Graduation party. Parents/Guardians are responsible of informing the classroom teacher of any customs, traditions, and practices that cannot be observed by their student, in the classroom. Parents may work with the classroom teacher to organize personal celebrations, such as birthday recognitions, etc. Please make sure that the teacher has approved any items or party favors that would be distributed to other students.

******Treats or food for these celebrations may not be homemade, as they must be purchased and delivered in the original packaging.** This allows us to be able to check the labels in the event a child may have a food allergy, etc.

Nutrition

All students will have access to both breakfast and lunch, during class time, as provided by the USDA Childcare Food Program. PLEASE make sure to complete a Free and Reduced lunch form for your child. If your child has a food allergy, please provide a **doctor's note** stating such so that the kitchen staff and the teacher are aware of that fact. Please be very specific on this documentation, so that an appropriate substitute can be provided (ex. If a child is allergy to milk, please specify if it is all milk products, or lactose, etc.) If you have a religious prohibition for certain foods, please make that known to the kitchen staff and to the teacher.

Parent Teacher Conferences

Parents/Guardians will meet formally with their child's teacher to discuss progress during the district designated parent conference week. Informal conferences will take place throughout the school year when considered necessary by staff or parent.

CLI Engage Progress Monitoring

CLI Engage is the tool our program uses for the assessment of student progress every quarter. Parents will receive a progress report and teachers will use CLI data to update the progress on your individual student's goals.

Parent/Teacher Association (PTA)

Gonzalez SYC proudly supports the PTA. Parents are encouraged to join the PTA, as they host numerous activities and events for our school throughout the year. Please contact the office for more information about joining PTA or for getting in contact with a member of the PTA board.

WE ARE CURRENTLY SEEKING PTA BOARD MEMBERS FOR ALL POSITIONS. If you are interested in this opportunity, please contact the school office.

Photography

Students may be photographed on occasion. Parents must give the school permission to video or photograph their children, as well as to share this photograph in any capacity. The school district will ask for parent permission on the registration site. In addition, we as a campus will ask for permission from parents so that we can make certain that we are respecting the wishes of each and every family.

Also, we would like to ask families to please not take pictures of any other students except for your own child. Also, please do not share any photos of other students on social media sites, as again, we want to respect the choices of each family and their children.

School Safety

Student and staff safety is one of our top priorities. At Gonzalez, we are very diligent about following safety protocols and making sure that we know who is in our building and working with our students. All doors to the outside of the building will remain locked at all times. Parents must enter the building from the front entrance ONLY. Please use the buzzer on the right wall to access office staff. You will be buzzed into the building, once verification for entrance has been obtained. We require a picture identification, and enforce the traffic, volunteer, and visitor expectations as outlined in the handbook. Please adhere to these procedures and policies, as they are in place to protect your children and our staff. Thank you in advance for your help!

Also, throughout the year, we will be conducting a variety of safety drills (fire, weather, intruder, etc.). By practicing these drills regularly, we are preparing our staff and students to respond quickly and appropriately in the event a true emergency situation was to occur. We will provide communication to our families after a drill has been conducted via social media and email venues.

****All students/staff will have the option of wearing a mask when inside the building!**

Snacks or treats

All snacks or party/birthday treats must be store bought items. No homemade items are allowed to be distributed or consumed by other students. Please make sure that the teacher has approved any items or party favors that would be distributed to students.

Social Media

Gonzalez SYC utilize a variety of social media and technology resources to communicate information. We utilize Facebook and Twitter, as well as our campus See Saw program. We do require parent permission before posting students pictures on any social media sights. Student names, etc. will not be shared by the campus on any sight that is publicly viewed.

Student's Personal Property

Please make sure to label your child's personal items, such as jackets, lunch boxes, and backpacks. The children will have a cubby or individual area in which to leave their personal items. Children should not add or remove objects from another child's personal items/cubbies. For any items that may be misplaced, there is a lost and found located in the main office.

Children's personal items, including school supplies, will be stored and used individually. For this purpose, if your child is in need of a personal item (such as markers, baby wipes, etc.), the teachers will let you know so that you can help in replenishing these items, as needed. Please do not send toys of any kind, as these could cause a distraction, they will be collected and placed in your child's backpack.

Tardiness

All students are expected to be on time and in their class, when school begins. By definition, tardiness occurs when the student is not in the classroom when class starts and there is a loss of instructional time. Any student arriving more than 50 minutes late will be assessed a POD (Part of Day) absence. **Excessive tardiness may result in dismissal from the program.**

If a parent/guardian fails to get the student to class on time, you must sign the student in at the front office. Please make sure to feed your child if you arrive to school later than 30 minutes past their designated breakfast or lunch time.

Transportation

It is the Parent's/Guardian's responsibility to transport your child/children to and from school on time. Gonzalez School for Young Children does not provide transportation. Students with IEPs may be eligible for district-provided transportation.

Visiting the Classrooms

We welcome parents to volunteer in the classroom as much as they are able. Classroom observations or visits are allowed, as long as the visit has been **pre-approved** by the principal and classroom teacher. **Visits are to be no longer than 45 minutes so that instruction is not disrupted as per District policy. (See below)**

Denton ISD
061901
COMMUNITY RELATIONS GKC
VISITORS TO THE SCHOOLS (LOCAL)
DATE ISSUED: 9/17/2007 1 of 1
UPDATE 81
GKC(LOCAL)-A

ADOPTED:

Prominent notices shall be posted at each campus requiring all visitors to first report to the campus administrative office. This shall apply to parents, Board members, volunteers, social service workers, invited speakers, maintenance and repair persons not employed by the District, vendors, representatives of the news media, former students, and any other visitors.

Visits to individual classrooms during instructional time shall not be permitted if their duration or frequency interferes with the delivery of instruction or disrupts the normal school environment.

Volunteers

*Anyone volunteering in the school and/or classrooms, must pass the criminal background check and be cleared to volunteer **before** they can work in the school. The volunteer application may be found on the district web site under the community involvement tab. Click on the Volunteer Program and then the Volunteer Application. Once you are cleared to volunteer, we welcome you to come and help us in a variety of ways!*

Several of our volunteer opportunities include helping with the clothes closet, laminating/cutting out materials for teachers, class room parent (to help the teachers organize events or communicate with other parents), library helpers (to shelve books), as well as other daily tasks.

The Gonzalez School
Parent Code of Conduct

In an effort to make our school the best place it can be, we ask that you read the rules below and sign acknowledging that you agree to follow them.

As a parent of the Gonzalez School for Young Children I will:

- Be respectful of all staff, students, and other parents. I will refrain from using inappropriate language or from arguing with other parents while on school property.
- Turn in all paperwork that is required on time.
- Bring my child to school on time and pick them up on time.
- Call the school immediately if I am running late, or if my child will be absent.
- Make sure my child is fed if they have missed the scheduled breakfast or lunch times.
- Keep my child at home when ill and provide a note (medical or parental) upon my child's return to school.
- Keep all parent/guardian personal information (address and phone number) current and up to date with the office and the and my child's teacher.
- Keep pick-up information (phone numbers and addresses) updated with the office and my child's teacher.
- Keep my child safe by not allowing anyone to pick up my child from school under the influence of drugs or alcohol.
- Provide any personal items necessary for my child to have a successful experience at school (a change of clothes, daily backpack, other personal items)
- Avoid sending my child to school with food, candy, toys, or money unless otherwise requested.
- Honor all conferences with faculty and staff unless otherwise rescheduled in advance.
- Assist my child with their homework assignments (avoid doing the work for them.)
- Reinforce and practice appropriate behaviors with my child at home and at school (no hitting, kicking, screaming, biting, pinching, talking back, etc. to peers and adults.)
- Respect confidentiality. Because of student confidentiality issues, all chaperones are expected to refrain from posting on Facebook or other social media any stories, photos, comments, etc. related to the event they are chaperoning. Chaperones are expected to report any concerns during the event to the teacher or administrator in charge. Campuses must follow strict guidelines in maintaining student privacy and confidentiality. Your cooperation with confidentiality is greatly appreciated.
