

The Extended School Day Program provides supervised group care for children after school by experienced staff to support parents' schedules. The ESD Program operates from 3:00pm-6:00pm on the days Denton Public Schools are in session.

The Extended School Day Program provides a balance of physical, intellectual, and social experiences to meet the needs of the children. Activities include active play, homework time, indoor and outdoor play, and project making. Age and developmentally appropriate materials include projects, books and games, teacher-prepared and approved thematic units, and computer time.

Online Registration will start Monday, July 13 at 8:00 am.

There is no registration fee. Tuition is \$190.00 per month.

All registration is done 100% online at www.dentonisd.org/esd.
