

Mr. Marvyn White

Principal, Rivera Elementary

Dear Rivera Elementary School Community,

It is with great pride and excitement that I write this letter of introduction to you as the newly appointed Principal of Rivera Elementary School. I am honored to have the opportunity to lead a school with such rich tradition. Rivera Elementary is a staple in the community, and I look forward to building relationships with parents, staff, and students. I have been dedicated to the field of education all my life. I come to you with 10 years of experience as an educator. I have worked with a variety of students' ranging from Kindergarten through high school. My most recent administrative experience was in Denton ISD at Navo Middle School where I served as an assistant principal. I am excited and eager to bring my passion and skills as an educational leader to Rivera Elementary School and collaborate with you as a partner in education to ensure your child's success.

Along with the teachers and staff, I will work to continue the legacy of relationships, grit, and passion established by Rivera Elementary school by building upon the strong foundation of the parents, staff, and community. We will focus on best practices, collaboration, the use of data to drive instruction, character building, and so that we can continue to increase student achievement for all students.

As your principal, it is important to me that everyone who steps through our doors-teachers, students-are excited to be here. This attitude enables us to meet the challenges of academic excellence in a positive, fun, and nurturing environment. My door is always open, and I welcome your input. Please feel free to call or email to discuss any concerns you might have throughout the school year.

I am truly honored to be given this opportunity and look forward to immersing myself completely in our school and in our community. I am excited to begin collaborating with you as a team to help each student at Rivera Elementary have a successful school year!

Mr. Marvyn White, M.Ed.
