

Dear Prospective Panther Parents and Students,

New student enrollment is for students who are new to Denton ISD or are returning to Denton ISD after attending another school district. We are excited that you are planning to attend NAVO Middle School for the 2013-2014 school year. Denton ISD has attendance boundaries that are used to determine where a student must attend middle school. Please be sure to verify that your residence is within the NMS school zone before making an enrollment appointment. You can verify your address online at:

<http://bus.dentonisd.org/edulog/webquery>

The following items need to be submitted at you enrollment appointment:

- On-line registration verification form
- Current proof of residency (utility bill: gas, electric, water; current lease, closing doc)
- Copy of parent/guardian's driver's license \*\*
- Student's birth certificate
- Immunization record
- Transcript/Report Card from previous school

**New student enrollment is by appointment only.** Please contact the NMS main office at - (972) 347-7500 to make an enrollment appointment. New enrollment appointments will begin July 30<sup>th</sup>.

**Parents must complete online registration.** In order to expedite the enrollment process, we recommend that you complete the online registration prior to your enrollment appointment. However, if you do not have internet access, it can be done at the campus. The link for the online registration is: <http://www.dentonisd.org/page/1888> - you will select Registration for New Student (either English or Spanish) which is located toward the bottom center of the page.

#### **IMPORTANT DATES:**
