

The Guardian's Guide to Onboarding on SchoolLinks

When you join SchoolLinks as a guardian, you will be creating a member account. Members are anyone on SchoolLinks that is not a student or staff member. A member can hold different roles on SchoolLinks. For example, a guardian can also be an industry partner.

Create a SchoolLinks Account

Claimed accounts

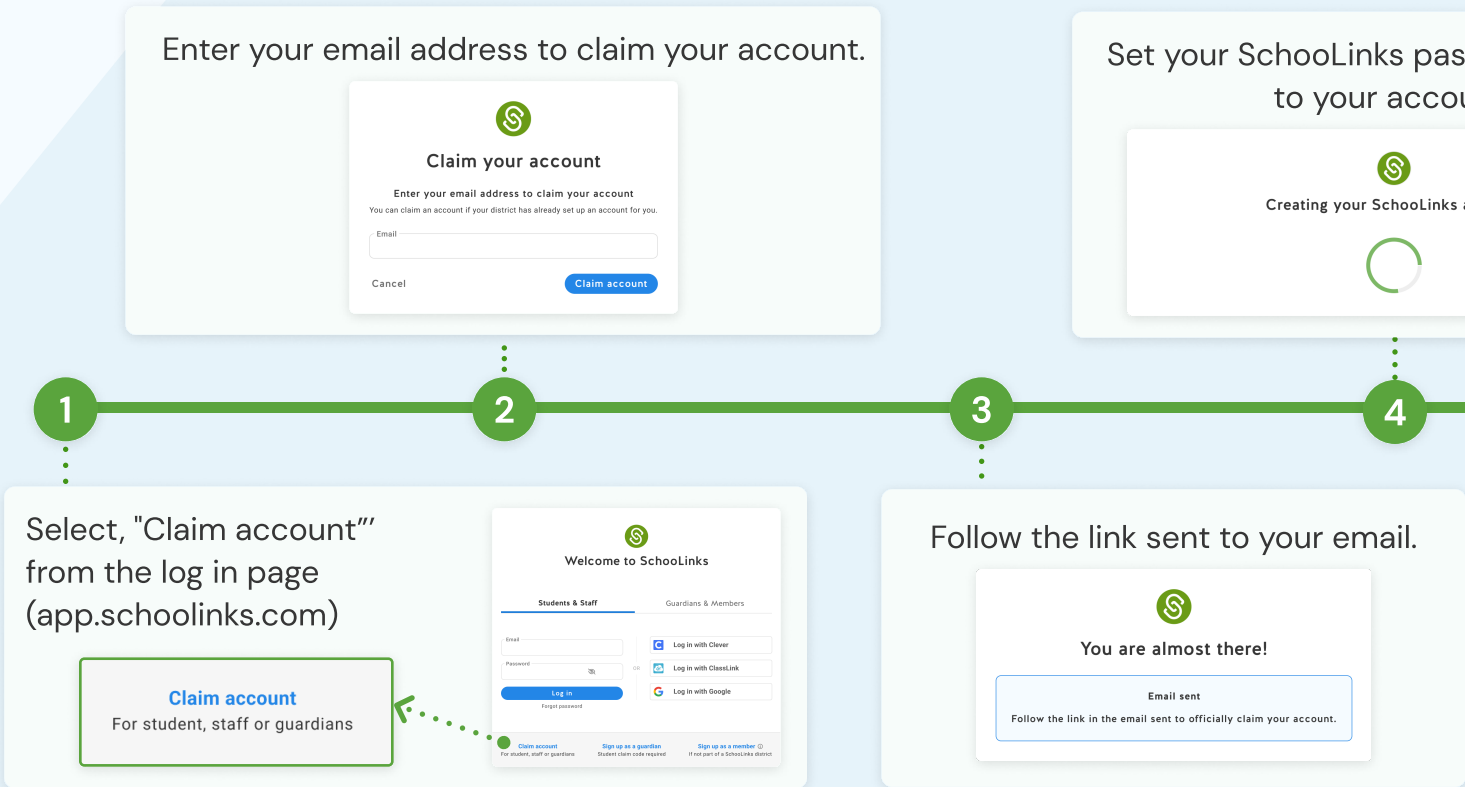

Synced Accounts

 **GMAIL ACCOUNT?**

If the account created for you uses a Gmail or Google email address, then you do not need to go through the claim process to set a password. You can login to SchoolLinks through the "Login with Google" button.

Getting started with your account

Add affiliations

Add affiliations and educational history to complete your guardian/member account. Adding affiliations will unlock additional features in your SchoolLinks account.

Add your education and employment

Add affiliations to explore events, post internships, scholarships, & share content with students.

+ Add education

+ Add employment

Become a mentor

Once you have added affiliations, share your expert knowledge with students. Students can submit questions about colleges, employers, or career paths. You can view and answer applicable questions based on your experience.
