

The Member's Guide to Onboarding on SchoolLinks

Members are anyone on SchoolLinks that is not a student or staff member. A member can hold different roles on SchoolLinks. For example, a guardian can also be an industry partner, etc.

Create a SchoolLinks Account

Sign up using an email or a Google/LinkedIn account.

To create an account as a college rep or industry partner either:

- Click on the **customized link** shared with you by a school district or coworker. Signing up this way will speed onboarding by pre-filling affiliations and connections for you!
- Sign up directly through the SchoolLinks' **login page** (app.schoollinks.com)

Add the organization you represent and any remaining details to create your account.

Add your current organization. Adding an affiliation will allow you to register for events, apply for programs, share your expert knowledge, and more on behalf of your organization.

NEW ALUM

If you were a student on SchoolLinks prior to graduating and used a personal email or log in method, simply log in to your account. You will need to agree to the terms and conditions before continuing to your account.

Click on the link that was shared with you to claim your account.

Add the school you attended and any remaining details to create your account.

Add your high school information. This will help us match your account to your school's records.

Getting started with your account

Add affiliations

Add affiliations and educational history to complete your member account. By adding affiliations and educational history, you can access all member features.

Add your education and employment

Add affiliations to explore events, post internships, scholarships, & share content with students.

+ Add education + Add employment

Become a mentor

Once you have added affiliations, share your expert knowledge with students. Students can submit questions about colleges, employers, or career paths. You can view and answer applicable questions based on your experience by recording short 60-second selfie videos!

Join School Network

If you did not join as an alum, join your alumni network, by adding the high school you attended. By adding your alum info you can access your transcript, explore alumni events, and view classmates' updates.

Join your high school network

Add your alum info to access your transcript, explore alumni events & view classmates' updates.

+ Add alum info

A Member's Map of the SchoolLinks' Dashboard

Members are anyone on SchoolLinks that is not a student or staff member. A member can hold different roles on SchoolLinks. For example, a guardian can also be an industry partner, etc.

Scan for updates!

New Member Dashboard

Get started with your member account

The screenshot shows the 'New Member Dashboard' for a user named Agustin. The interface includes a top navigation bar with 'MEMBER Home', a notification banner stating 'You will not see a "My transcript" tab until you connect with the high school you attended.', and user profile icons. The main content area is divided into a left sidebar with 'CONNECT' and 'PROGRAMS' options, and a central dashboard. The dashboard features a 'Hi Agustin!' greeting, a video player for 'How is work at Around the Piano different for you during COVID-19?' by Leonor Roob, and another video 'Give us a tour of your company workspace' by Keaton Heathcote. A 'Recommended' section prompts the user to 'Review/update your contact information'. Below this, there are sections for 'Answer student questions', 'Add your college or company' (with '+ Add education' and '+ Add work experience' buttons), and 'Join your high school network' (with '+ Add alum info' button). A green callout bubble says 'View any tasks your affiliations assign.' pointing to the 'Review/update your contact information' button. Another green callout bubble says 'Join your school network' pointing to the 'Join your high school network' section. A third green callout bubble says 'View new videos submitted by other members' pointing to the video player. A green callout bubble at the bottom says 'Add affiliations' pointing to the '+ Add education' and '+ Add work experience' buttons.

Connected Member Dashboard

Access to a full range of features

The screenshot shows the 'Connected Member Dashboard' for a user named Miner. The interface includes a top navigation bar with 'MEMBER Home', a notification banner stating 'Once you are connected to your high school, you will have a "My transcript" tab', and user profile icons. The main content area is divided into a left sidebar with 'CONNECT', 'SCHOOL', 'COLLEGES', 'CAREERS', and 'PROGRAMS' options, and a central dashboard. The dashboard features a 'Hi Miner!' greeting, the same video player for 'How is work at Around the Piano different for you during COVID-19?' by Leonor Roob, and another video 'Give us a tour of your company workspace' by Keaton Heathcote. A 'Recommended' section prompts the user to 'Review/update your contact information'. Below this, there is a section for 'G&J Pepsi' with buttons for 'Find a high school event' and 'Answer student questions'. Underneath are buttons for 'Manage events', 'Manage scholarships', 'Manage opportunities', 'Review content', 'Manage members', and 'Edit org'. A green callout bubble says 'As a member you can access features for your affiliation(s)' pointing to the 'G&J Pepsi' section. Another green callout bubble says 'Become a mentor' pointing to the 'Answer student questions' section. The 'Answer student questions' section shows two questions: 'Give us a tour of your company workspace.' and 'What are some unique experiences or traditions at G&J Pepsi?'. A 'My affiliations' section shows 'Recruiter G&J Pepsi'. A green callout bubble at the bottom says 'How to use this feature?' pointing to a help icon.
