STUDENT CHECKLIST

- Submit Application : Submit your application forms and any required essays.
- Test Scores : Rice will allow first-year and transfer student applicants to undergraduate degree-seeking programs for the 2021-2022 and 2022-2023 application cycles to submit SAT or ACT test scores, if they choose. Students who are unable to submit test scores or prefer not to submit test scores will be given full consideration in the admission selection process.

TEACHER RECOMMENDATIONS

Remember to update your student profile and communicate with your teachers before adding them as a recommender on SchoolLinks.

2 Required

Instructions from college: The two teacher recommendations serve to highlight the applicant's academic strengths and contributions in the classroom. Both of these recommendations should be from teachers of core academic subjects, and ideally one recommendation would relate to the applicant's intended area of study. Though not a requirement, we would prefer letters come from teachers who have taught the student for a full course.
