Lobby View from Main Entrance

- “Upscale”, “Comfortable”, “Inviting” and “Lively” is what comes to mind when you enter the new Courtyard by Marriott Lobby!
- The Courtyard lobby is a perfect meeting place for small groups to interact while working or dining, standing or sitting.

S-Counter

- “Stylish” and “Versatile”—the S-Counter incorporates elements of a retail counter with those of a bar, creating a space that transforms with the day to accommodate guests’ needs and preferences –coffee bar in the morning to lively hot spot at night
- Simple, refreshing, and easy-to-prepare menu options provide ample choice, balanced with quick service and high quality
- Acts as a focal point within the lobby and invigorates the area with energy and “buzz” during the morning and evening

Media Booths

- Come enjoy one of our media booths and feel at home! Our media booths offer an alternative place to work, meet or relax and be entertained in a semi-enclosed space.

Home Theatre/Media Center

- A great place to relax and watch the news, sports, or a favorite TV show after a long day at work.
- Enticing media environment where you can interact and unwind.
