Members of the Board of Trustees
Denton Independent School District
Denton, Texas

Sir or Madam,

Please consider this note as my most sincere request that you entertain the thought of naming the next high school built in our District in honor of Bernardo de Gálvez, the Spanish General who lent valuable services to the Continental Army in its War of Independence of the United States.

Respectfully yours,

A handwritten signature in black ink, appearing to read "G. Roland Vela". The signature is written in a cursive style with a large initial "G" and a long, sweeping underline.

G. Roland Vela, Ph.D.
