

Because you love someone  
with food allergies...

...participate in

# Food Allergy Awareness Week, May 13-19, 2012

As many as 15 million Americans have a potentially life-threatening food allergy including nearly 6 million children. **There is no cure.**

Visit [www.foodallergy.org/faaw](http://www.foodallergy.org/faaw) to get involved.

The trusted source for food allergies.
