Steps to Achieving Your Eligibility

Freshmen and Sophomores

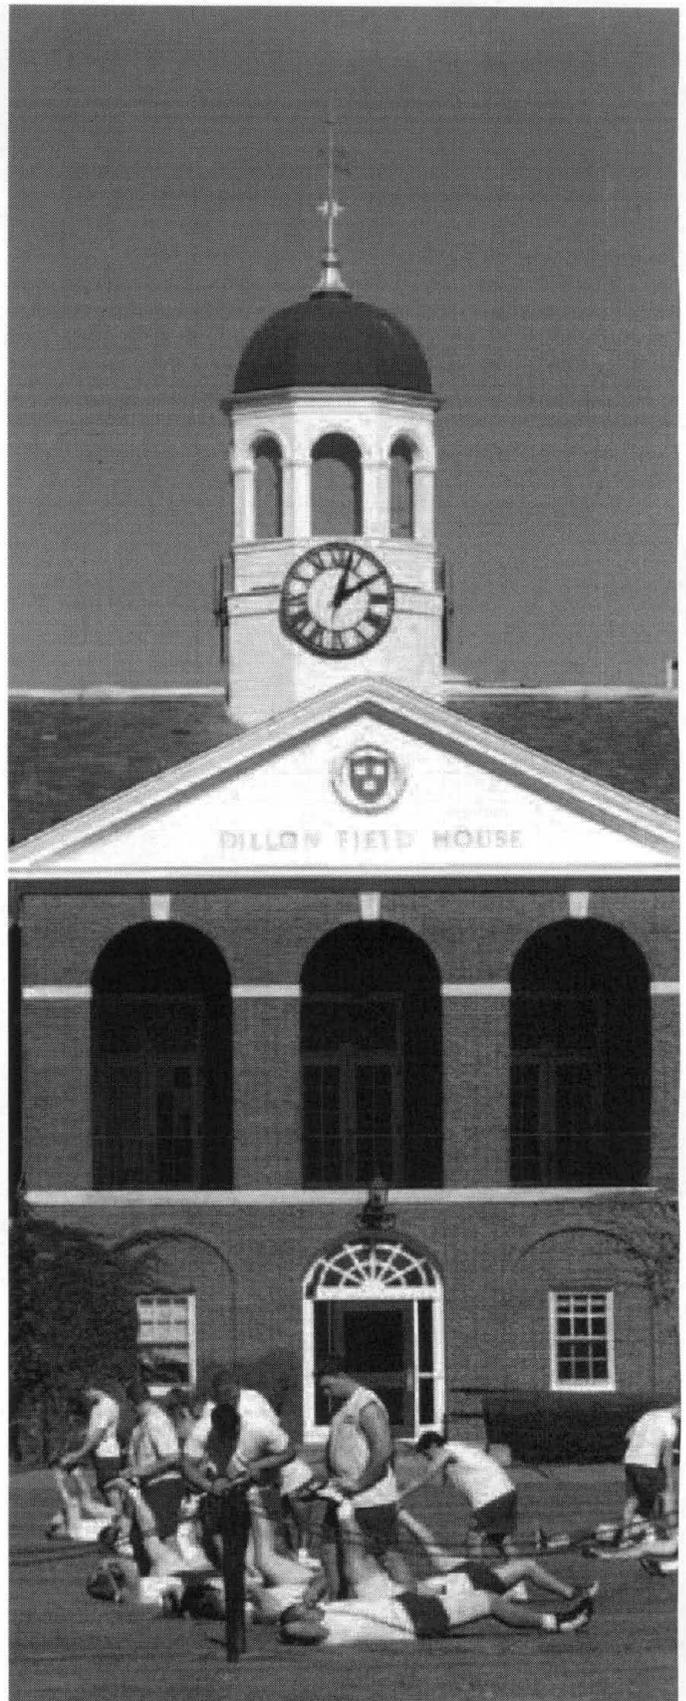

- Start planning now!
- Work hard to get the best grades possible.
- Take classes that match your high school's list of NCAA courses. The NCAA Eligibility Center will use only approved core courses to certify your initial eligibility.
- You can access and print your high school's list of NCAA courses at www.eligibilitycenter.org. Click the NCAA College-Bound Student-Athlete link to enter and then navigate to the "Resources" tab and select "U.S. Students" where you will find the link for the list of NCAA courses.
- If you fall behind, use summer school sessions before graduation to catch up.

Juniors

- At the beginning of your junior year, complete your online registration at www.eligibilitycenter.org.
- Register to take the ACT, SAT or both and use the NCAA Eligibility Center code "9999" as a score recipient. Doing this sends your official score directly to the NCAA Eligibility Center.
- Double check to make sure the courses you have taken match your school's list of NCAA courses.
- Ask your high school counselor to send an official transcript to the NCAA Eligibility Center after completing your junior year. If you have attended more than one high school, the NCAA Eligibility Center will need official transcripts from all high schools attended. **(The NCAA Eligibility Center does NOT accept faxed transcripts or test scores.)**
- Before registering for classes for your senior year, check with your high school counselor to determine the amount of core courses that you need to complete your senior year.

Seniors

- Take the ACT and/or SAT again, if necessary. The NCAA Eligibility Center will use the best scores from each section of the ACT or SAT to determine your best cumulative score.
- Continue to take college-prep courses.
- Check the courses you have taken to match your school's list of NCAA courses.
- Review your amateurism responses and request final amateurism certification on or after April 1 (for fall enrollees) or October 1 (for spring enrollees).
- Continue to work hard to get the best grades possible.
- Graduate on time (in eight academic semesters).
- After graduation, ask your high school counselor to send your final transcript to the NCAA Eligibility Center with proof of graduation.

NCAA Eligibility Center Registration

Online Registration: The NCAA Eligibility Center has designed a new website with you, the student-athlete, in mind. This is where you will find the tools and information you need to begin your college experience as a student-athlete.

To register with the NCAA Eligibility Center, go online to www.eligibilitycenter.org and click the link to enter at an NCAA College-Bound Student-Athlete. To create an account, either click on the "New Account" button at the top right of the screen or the cell phone on the left side of the screen.

Note: If you fail to submit all the documents required or if no NCAA school requests your eligibility status, your incomplete file will be discarded after five years, requiring you to pay a new fee if certification is requested after that time.

Account Creation

You will need to provide a valid email address to create an account and begin the registration process. Be sure you provide an email address that will be active even after you complete high school.

About Me

In this section, you just need to pass along some quick facts about you—information such as your name, address, date of birth and gender.

My Coursework

You will need to enter the name and location of the high school you currently attend in this section. If you have attended more than one school (including summer school) during grades nine, 10, 11 or 12, you will need to have that information ready as well. List all schools you previously attended. Make sure to include all schools, whether you received grades or credits. If you attended ninth grade at a junior high school located in the same school system in which you later attended high school, do not list the ninth-grade school.

My Sport

In this section, you will select the sport(s) you plan to participate in at an NCAA Division I or II college or university. The NCAA Eligibility Center will also ask about the high school and/or club teams you have been a part of and events you have participated in during your high school career.

Payment

Your account will be eligible for processing once the registration fee of \$65 for U.S. students or \$95 for international students has been paid (or submission of a fee waiver if you have been granted a waiver). You must pay online by debit, credit card or e-check.

You are eligible for a waiver of the registration fee only if you have already received a waiver of the SAT or ACT fee. (This is not the same as a U.S. state voucher.) You must have an authorized high school official submit your fee waiver documentation online after you have completed your registration. **If you have not yet been granted a fee waiver by SAT or ACT, you are not yet eligible for a waiver of the NCAA Eligibility Center registration fee.**
