## School-Parent Compacts

In accordance with Title I regulations, each school receiving Title I funding must develop a parent-student compact with the parents of students participating in the program. This compact will enable the school and parents to share responsibility for student performance and success.

Family Success Saturday Attendees

The compact must explain how students, parents and staff will share responsibility for student performance and success.

The compact must explain how students, parents and staff will share responsibility for promoting student achievement. All parents will be given a copy of the compact detailing the responsibilities that teachers, parents and students have in helping students accomplish their goals. Student's responsibilities will vary by grade level.

Parent/student signatures are encouraged, as is discussion of the contents of the compact with students.

## Community Connections

We work very closely with business adopters within the community that support our educational endeavors for students. Some of our current adopters include: Eagleton Photography, Ci Ci's Pizza, the Denton Police Department and Smile Magic. We welcome additional adopters at any time.

The community will be consulted in the design, development and implementation of the Title I funding for the campus. This is accomplished through our Campus Leadership Team meetings where we have parents and community members on the committee to assist in decision making for the school year. Lee welcomes parental suggestions at any time.

## Parent/Staff Communication

We have various communication options with parents including:

- ✓ Grade level newsletters
- ✓ Parent/teacher conferences
- ✓ In person or phone contact
- ✓ Written communication through our weekly Wednesday Folders
- ✓ Website information is updated regularly
- ✓ Email Updates
