District and Campus Guidelines

1. Respect of Privacy — You must have permission to access and or use information belonging to individuals, organizations, and companies. If you do not have permission please respect their privacy.

2. Respect of Property — All files, Programs, and information on computers belong to Denton ISD. Changing or deleting computer programs, files or any other information without permission is unacceptable use!

3. Respect for Ownership — Do not commit piracy. Only use computer software, files, or information that is legally owned. Only use software programs which have been paid for or that are in the public domain. DO NOT STEAL.

4. Respect for Denton ISD property — Absolutely no downloading of ANY kind.

5. Respect for ownership — Only district software will be used on all DISD computers. All software installed on any school computer must be for educational use and legally owned by the District. All Software must be installed by a Denton ISD Technology member!

6. Respect For others and the Law — All activities are to be within the law. Activities are to be beneficial to others. We expect you to follow copyright © laws and to respect all copyright issues regarding software © information attributes of authorship.

Consequences

Above you will find the district rules and expectations for computer use at Guyer High School. We would like for you to remember that access to the system is a privilege and that we expect you to follow all of the rules. If you break any of the rules you will lose your privileges.

1. The First violation (depending on what it is) will get you removed for a period of time.

2. The Second violation (depending on what it is) will also get you removed for a period of time.

3. The Third violation will get you Permanently Removed.
    a. Removed and Permanently Removed means – that you will not be able to log into ANY computer in our building. Your teachers and parents will be notified of any violations.

GHS Online Student Safety Pledge

I want to use the computer and the Internet. I understand that there are certain rules about what I should do online. I agree to follow these rules:

1. I will not give my name, address, telephone number, school, or my teachers'/parents' names, addresses, or telephone numbers; to anyone I meet on the Internet.

2. I will not give out my email password to anyone not even my best friends or my teachers.

3. I will not send out any pictures or video's

4. I will not fill out any form or request online that asks me for any information about my school, my family, or myself without first asking for permission from my teachers/parents.

5. I will tell my teachers/parents if I see any bad language or pictures on the Internet, or if anyone makes me feel nervous or uncomfortable online.

6. I will never agree to get together with someone I "meet" online.

7. I will not use any articles, stories, or other works I find online and pretend it is my own.

8. I will not use bad language online.

9. I will practice safe computing, and check for viruses whenever I use a storage device, download something from the Internet, or receive an attachment.

10. I will be a good online citizen and not participate in any activity that hurts others or is against the law or my school's policy.

11. I will refer to Page 34 of the Student Code Of Conduct and will be familiar with DISD Policy.
