**Language Arts/Social Studies Integrated Technology Lesson**
1st Grade

**Lesson Name:** What is July 4th?

**Categories**: Foundations, Solving Problems, and Communication

**TEKS**: 1.2
**Technology TEKS:** 1A, 1B, 1C, 2A, 2B, 2C, 2D, 2E, 3A, 3B, 7A, 7B, 10A, 10D, 11A, 11B, 12A

**Objective:** The student will use the PowerPoint template to create a bookmark to show what they have learned about July 4th. The student may add facts and information they have discussed in class. They may also include clip art if desired. The bookmarks will be shared with other classes.

**Creating the bookmarks:**
- Open the PowerPoint template containing the bookmarks.
- Insert a text box for text.
- Move the text box to the desired location on the slide.
- Right click on the text and select copy information to another bookmark.
- The student may add new information to each bookmark.

**Inserting Clip Art:**
- Go to the menu bar and select "Insert".
- From the drop down box, choose picture, clip art.
- Type the picture topic in the "search for clips" bar.
- Click on the picture that you want to use.
- Select the insert clip box.
- Move your picture to the desired location on the slide.

**Click on the Bookmark Template to begin.**
