3.

Please fill out all fields that have an * by them. Choose your own username and password. The name, address, and phone fields should match what is in Pentamation (the District student information system) for you as a guardian. Please enter your email. Note that the email is required so that you can recover your password if you forget it.

- 4. Read the User Agreement. You must also click the "I agree to the above terms of usage" below the User Agreement.
- 5. Then click "Sign up" at the bottom

Select "Add a student to my account" to request access to your child's information. (NOTE - This is the normal page you will see when you login. If the student has already been added, you can select the student and then select Grades, Attendance, etc. Also, note that messages may appear in the middle of the page where it currently says "This is the Parent Main screen for the Denton ISD Parent Connection after signing in.")

Follow the directions on the screen. The information should match the student's information in the District student information system.

8. When this student is complete, then click "Submit".

7.

- 9. NOTE You will not see the student on your list until the campus has approved the request.
- 10. When the access to the student has been approved, the student will show in the Current Student field on the screen. Normal processing for request approval is 1 to 2 days. However, at busy times such as the start of school, testing periods, and end of six weeks, approvals may take several days.
- 11. When you see the student, you can click on Grades or Attendance to see the students Grade Summary or Attendance Summary. You can also click on Manage Students to add or remove students that you can see, and My Settings to change your information. When the Student Grades appears, you can click on the current grade to see the gradebook for that student for that course.

If you encounter problems, you can email <u>gradespeed@dentonisd.org</u> and someone will respond to your email.
