

Criminal Trespass Warning

Davis School students are not permitted to return to any other DISD campus for the time of their assignment to Davis School. This criminal trespass warning includes all school-sponsored activities, even those held off of DISD campuses. Students found on or near other campuses after this trespass warning has been issued are subject to arrest for violation of criminal trespass under section 30.05 of the Texas Penal Code or loitering on school property under Chapter 37 of the Texas Education Code.

Notice of Trespass Laws and Official Warning

I understand that to be on any Denton ISD property or attend any school related function other than Davis School without written permission from both campus principals is to be in violation of the Criminal Trespass Laws of the State of Texas and thus subject to disciplinary action.
