

THE LEE CHRONICLE

Monday, November 4th, 2013

I am very excited to return to Lee as your Math Intervention Specialist K-5. I am working alongside students and teachers offering support with instruction, resources, and trainings. I have taught 1st grade bilingual/dual language for 6 years, and I was a 2nd grade bilingual teacher here at Lee for 5 years. In addition to being a classroom teacher, I have also had the pleasure of being a District trainer/presenter, Curriculum Writer for Science, First Year Teacher Mentor to name a few. I invite you to visit my Lee webpage for resources to support Math learning at home!
