HOLIDAY READING TIPS....

We know that the holidays are a very busy time for everyone. Please continue to read with your child every night.

Think about one or two books for Christmas gifts. Consider books similar to what they are bring home every night from school. Students enjoy books in their successful reading level. Consider some ideas:

~Have your child write the names on the gift tags. Think of all the new names they can learn.

~Bake together. Find cookies and cakes that have instructions with illustrations. Don't expect your child to read all the instructions, make it can be a joint effort.

~Ask a grandparent to sit and read with your children for a few minutes.

Enjoy this time with your children. We hope your children have the opportunity to share a book with someone new this week.

Join us on Thursday, December 19th in the cafeteria for a musical performance by Kindergarten, First, and Second Grades. The celebration begins at 1:30. Dress attire for the children is Sunday best. Each grade level will perform three Christmas songs for their parents and family. Our very own Student Leadership Team will welcome you and provide the program for our show.

We hope you can join us for this musical celebration!
