

# THE LEE CHRONICLE

Monday, December 9th, 2013

## Help stop the spread of germs!

We are accepting hand sanitizer donations. Mrs. McBride, our nurse will collect them and distribute to the classrooms.

## Spotlight!!!!

Our fourth and fifth grade students will shine under the spotlight at our talent show. It is scheduled for Monday, December 16th at 6:00.

## TECHNOLOGY SUPPORT AT HOME

**Classworks for K-2 (Reading & Math)**-Classworks is now web-based and accessible from your home. To access from home go to our home webpage, Student Services, and Technology at Home. Students have been using this program in the computer lab.

**Istation for 3-5 (Reading)**-Istation delivers individualized instruction — complete with age-appropriate content .Plus, every lesson is supported with data-rich benchmark and continuous progress monitoring assessments through Istation's proprietary ISIP™ technology. Follow the steps from above to access from home.

**Think Through Math for 3-5**-*Think Through Math* is a Web-based solution that provides comprehensive math instruction for students in grades 3 through Algebra 1. Developed by teachers and technologists to help students prepare for Common Core State Standards and rigorous new assessments, *Think Through Math* supports math achievement in unprecedented ways. Follow the same steps as above.

The above information is also found on our webpage under the **STUDENT SERVICES** tab.

## Accomplishing a reading goal=celebration=pajama

Thursday, December 12, 2013 11:00 AM  
**Rescheduled for Monday!**  
Lee for students that met their reading goal.

Students have been keeping track of their goals in their classrooms. A day of fun (and literacy activities) is planned for our students and staff. Not sure what the grade level goal is? Ask your child.

The more that you read,  
the more things you will know.  
The more that you learn,  
the more places you'll go.

-- Dr. Seuss
